### Grant of Affiliation to Jyothi College, Belgaum

235. Sri P. B. NANDIHALI (Uchagaon).—

Will the Minister for Education be pleased to state :—

(a) whether the Dakshina Maharashtra Shikshana Sanstha has applied for permission to start Jyothi College at Belgaum ;

(b) whether the Karnatak University has rejected to accord permission to start the college ;

(c) the action that the Government has taken and why ?

Sri N. M. KOTRABASIAH SOGI (Deputy Minister for Education).—

(a) Yes.

(b) The University has not recommended affiliation.

(c) Government is awaiting a reply from the Dakshina Maharashtra Shikshana Mandal on certain points.

Sri P. B. NANDIHALI.—May I know the reasons why the University has not recommended for the affiliation and when the management was informed about the same ?

† Sri N. M. KOTRABASIAH SOGI.—It is a matter between the management and the University. But anyway in the report received from the University, the University has mentioned that the local Committee appointed for the purpose of inspecting and submitting a report, has stated in its report that due to three reasons the affiliation cannot be granted. The three reasons stated by the committee are :

(1) close proximity of the proposed college to the existing college ;

(2) there is no need for starting of arts and science college in the area ;

† Indicates that the remarks or speeches have not been revised by the member concerned.

(3) the starting of new college would affect the existing college. For these reasons the local committee has rejected the demand for the starting of a new college.

**Sri P. B. NANDIHALI.**—May I know whether the management was informed about this?

**Sri N. M. KOTRABASIAH SOGI.**—I have no information. That is a matter between the University and the management.

**Sri B. P. KADAM.**—When Sri V. S. Patil, Ex-MLA and myself met the Hon. Minister for Education and the Revenue Minister, we convinced them of the necessity to start this college since there are surplus students nearly 500 candidates going outside the State. Then the Hon. Minister stated that the matter would be considered sympathetically. Still may I know why the affiliation was not granted to the said college?

**Sri N. M. KOTRABASIAH SOGI.**—It is true that the matter was discussed with the Hon. Minister for Education and also at several meetings. The matter in regard to granting affiliation is still under consideration of the Government. We have written to the Maharashtra Shikshana Mandal and they have not yet replied in the matter.

**ಶ್ರೀ ಎಚ್. ಬಿ. ಜ್ವಾಲನಯ್ಯ.**—ಮಹಾರಾಷ್ಟ್ರ ಸರ್ಕಾರದ ವಿಶ್ವವಿದ್ಯಾಲಯ ಈ ನಂತ್ಲೆಗೆ ಮಾನ್ಯತೆಯನ್ನು ಕೊಟ್ಟಿರುವುದು ಸರ್ಕಾರದ ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೇ?

**Sri N. M. KOTRABASIAH SOGI.**—We have no such information. But there is a provision in the Karnatak University Act which says:

“ 5. (1) No educational institution situate within the University area shall, save with the sanction of the Provincial Government, be associated in any way with, or seek admission to any privileges of any other University established by law.”

Of course any college could be affiliated to any University in India, provided the University and the Government concerned, agrees to it.

**Sri K. H. PATIL.**—Will it be possible for the Government of Mysore to consider this case as a special one with a view to create confidence among the linguistic minorities?

**Sri N. M. KOTRABASIAH SOGI.**—There is no question of linguistic minorities. The matter is being considered and we have asked for certain clarifications from the Dakshina Maharashtra Shikshana Mandal which has not sent a reply so far.

**Sri R. G. WALI.**—Is it a fact that this college was started with a particular motive and whether the office bearers are connected with the border agitation?

**Sri N. M. KOTRABASIAH SOGI.**—We do not know the motive behind that, and also we do not know whether it has any connection with the border situation. It is a question of granting affiliation to the college which depends upon many reasons. There are already about 5

(SRI N. M. KOTRABASIAH SOGI)

colleges and 6 Higher Secondary Schools where XI standard is being conducted. There is a dearth of candidates and seats are available for admission in these colleges and XI standard classes.

Sri S. SIVAPPA.—Is the Government aware of the fact that the ultimate authority in giving affiliation to a College is the Government and the University is only a recommendatory authority and if the Government finds that the recommendation by the University is ultra vires or not in accordance with the demand of the local area, does the Government think it desirable to grant the affiliation to this College?

Sri N. M. KOTRABASIAH SOGI.—Before the Government decided the question and the decision of the Government was published in the local Newspapers of Belgaum City, the Mandal approached the Kolhapur University and sought the affiliation of that University. By that time the Syndicate of the Karnatak University passed a resolution. Then the Mandal approached the District Court and got a stay issued. Now the matter is pending before the District Court. I do not think it would be advisable to discuss about this in detail.

Mr. SPEAKER.—I agree with the suggestion of the Hon. Deputy Minister.
